Firmware v2.1.1 for Leica BLK360 G1 Imaging Laser Scanner

Dear All,

We announce the release of the new **Leica BLK360 firmware v2.1.1**.

Please note this firmware is an engineering release to support a new hardware revision for BLK360 G1.

Please refer to the attached Release Notes for details about the new firmware and see the attached update guide for information regarding the firmware update procedure.

The new firmware can be downloaded from the myWorld @ Leica Geosystems customer portal: <https://myworld.leica-geosystems.com>. The firmware is also available on the BLK360 homepage: <https://shop.leica-geosystems.com/blk360-firmware>.

Kind regards,

Bjoern Beutelspacher
